What We Aim

To revolutionize the digital era with innovative ideas fueled by creativity

Who Are We

Established in 2013, ideaGeek is a digital solution provider, powered by creative ideas that are fueled by a team of professionals whose field of expertise is Web and App Technologies. We also extend our realm on Digital Marketing and Desktop Application Development whose base is in Sri Lanka

ideaGeek's logo is made up of 26 equilateral triangle that makes one large hexagon with a rhombus on top.

26 triangles imply that we cover everything for your project from A to Z

Creativity fueled is our slogan, As a collective we pursue and produce both commercial projects as well as our own ideas

If you have an eye for a detail and look closer at our logo, the hexagon is a 3-dimensional cube with rhombus at top that signifies that we think creatively out of the box
